

Point1 Post

sound services

Point1 Post provide post production sound services. We specialise in Film, Feature Documentaries and Commercials. Our range of services can be tailored to your specific needs.

Point1 Post is based in the film making hub of Elstree & Borehamwood. Located just 2 minutes from Sky Studios Elstree and 5 minutes from both Elstree Film Studios and BBC Elstree Centre. We are just 22 minutes by train from London St.Pancras. By car we are conveniently located near to the A1 and just a couple of minutes from Junction 23 of the M25.

Our range of services includes a large Dolby Atmos mixing stage, sound editorial and our availability as freelance Re-Recording Mixers.
